

As of August 10th, 2021, the Alliance Francaise de Detroit requests the covid-19 vaccination for candidates to exams offered at the Alliance Francaise de Detroit, students, and all AFD/FIM staff members.

On test day, make sure you have an ID document and that you wear a mask.

For TCF Canada, we will need to take a picture of you on test day, during that process, you will not wear a mask.

Material will be cleaned, hydroalcoholic gel in automated dispensers will be available.

We have limited the number of candidates to two per test day.

For the safety of all examinees and test center staff, you will not be allowed to test if you answer "yes" to the following health screening questions on test day: Therefore, we are asking that you leave us a signed Health screening document with NO answers.
