Some instructors may have their Zoom link more integrated into Apolearn, see below for an example:

The screenshot displays the Apolearn user interface. At the top, there is a red navigation bar with the 'af Déroit' logo, a search bar, and navigation links for 'Accueil', 'Classes', 'Groupes', 'Plus', and user profile 'Jean'. Below this is a secondary navigation bar with 'Actualités', 'Modules', 'Documents', 'Statistiques', and 'A propos'. The main content area is divided into a sidebar on the left for user 'Jean TEST' (Étudiant) with menu items like 'Actualités', 'Annonces', 'Tâches', 'Discussions', 'Live chat', 'Agenda', and 'Apprenants'. The central area shows a 'Discussion' tab and an 'Actualités' section. An event card is displayed, titled 'Zoom invite Groupe B1 vendredi 4 février 10.00/12.00 Cath', with details for the start and end times and an 'Ajouter à votre agenda' button. The event text includes a Zoom link and a message from Catherine Morrow. Below the event card, there are buttons for 'J'aime', 'Commenter', and 'Voir l'évènement'. A calendar on the right shows the month of February 2022, with the 4th highlighted. A red button 'Avec l'application' and a blue button 'Ajouter à votre agenda' are circled in the event card.
